Dancers on TDE Competition Teams compete at a minimum of three competitions a year in 1-7 group dances. Auditions are held in June. Company rehearsal times and placements are TBA.

MINI & JUNIOR PERFORMANCE JAZZ GROUPS

This opportunity is for dancers looking for more performance opportunity without the commitment of a competition team. Dancers will learn a Jazz dance to perform at three local community events, our Competition Pep Rally and Recital. The main focus of these groups is fun and expression through dance! Performance Groups must also enroll in an age appropriate Ballet/Tap class. They will participate in a Mini or Junior Performance Jazz class where they will learn their performance dance to be used at all local community events. All community performances will occur December-May.
