MINI & JUNIOR PERFORMANCE JAZZ GROUPS

This opportunity is for dancers looking for more performance opportunity without the commitment of a competition team. Dancers will learn a Jazz dance to perform at three local community events, our Competition Pep Rally and Recital. The main focus of these groups is fun and expression through dance! **Performance Groups must also enroll in an age appropriate Ballet/Tap class.** They will participate in a Mini or Junior Performance Jazz class where they will learn their performance dance to be used at all local community events. All community performances will occur December-May.
